

■ Technical Parameters

| | | | |
|----------------|---|------------------|--|
| Valve size | DN8-DN50(2-way) DN15-DN32(3-way) | Control wires | 2 3 5 6 wires |
| Actuator | All-metal gear transmission | Special Function | With manual override function(DN15-32) |
| Wiring diagram | CR01 CR02 CR03 CR04 CR05 with feedback signal:CR01S CR02S CR03S CR04S | | |

| Open/close time | Life time | Output Torque | Protection class | Medium temp | Valve material | Medium Pressure | Motor Voltage | Motor Power | Working Current |
|-----------------|--------------|---------------|------------------|----------------------------|-------------------------------------|----------------------|---------------|-------------|-----------------|
| <12s | >50000 times | 10NM | IP65 | $\leq 100^{\circ}\text{C}$ | Stainl ss steel Brass UPVC | $\leq 1.6\text{MPa}$ | 5V | Max18W | <500mA |
| | | | | | | | 12V | Max22W | <300mA |
| | | | | | | | 24V | Max22W | <100mA |
