MDP Series

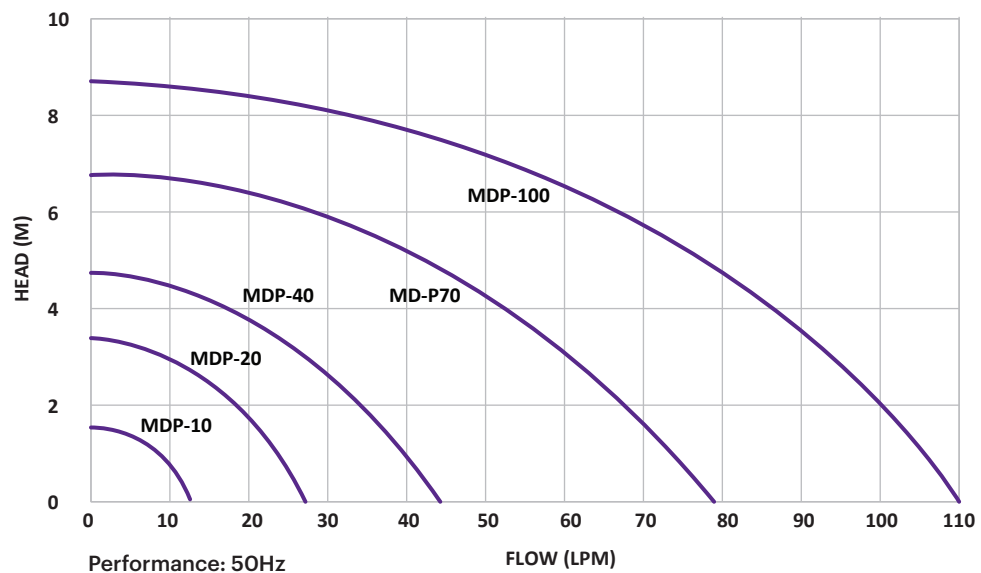

Part No.	Watts (P2)	Volts	Hz	Amps	Code	List Price
220-MDP-010	5 (15)	230	50/60	0.19	D	\$276.00
220-MDP-020	20 (45)	230	50/60	0.24	D	\$397.00
220-MDP-040	65 (95)	230	50/60	0.52	D	\$698.00
220-MDP-070	150 (210)	230	50/60	1.3	D	\$899.00
220-MDP-100	260 (365)	230	50/60	1.6	D	\$1055.00

The MDP series has full polypropylene wet end with magnet driven impeller for reliable, long service life in difficult applications or for pumping corrosive liquids where normal mechanical seal or shaft would be damaged. Max temp 80 degrees.

Applications:

- Aquaculture
- Horticulture
- Dosing
- Air conditioning
- Refrigeration

*Please check chemical compatibility with polypropylene before usage.

Dimensions And Specifications

Model No.	W	H	L	a	b	c	d	e	f	g	Port
